

COMP ACCESSORY MOUNT

WATERTIGHT FOR LIFE

Pegasus Solar's Comp Accessory Mount secures conduit, a junction box, or other accessories on composition shingle roofs. Designed to last decades, the one-piece flashing with elevated cone means there is simply nothing to fail.

25-year Warranty

Manufactured with advanced materials and coatings to outlast the roof itself

Superior Waterproofing

Tested to AC286 without sealant
0.9" elevated water seal

Code Compliant

Securely holds conduit 1" above roof surface

All-In-One Kit Packaging

Flashings, Support Blocks, and SS lags with EPDM washers are included in each 12-pack

COMP ACCESSORY MOUNT

1. Drill pilot hole into roof decking.

2. Optional: Apply a "U-shape" of sealant to underside of flashing and position under 2nd shingle course, cone over pilot hole.

3. Place support block over cone and install lag through one-hole strap and EPDM washer.

4. Drive lag into roof decking until secure.
